Persuasive Letter Organizing Template

Once you've gathered multiple perspectives and collected convincing evidence to support your point of view on the controversial issue that you are studying in class, it is time to create an open letter to a world leader that is designed to persuade. This organizing template can help you to structure your first draft. Remember that you can find sample letters covering a range of topics on the Letters to the Next President website (http://www.letters2president.org/).

Persuasive Letter Organizing	Template	
Introduction:	•	
attention. Often, this is best done by how the reader is—or will be—influent	sharing moving stories. Can you show how your is	te that we are studying is important enough to deserve their ssue is influencing life? Can you make suggestions about has enough background knowledge to recognize that this
